Welcome back to Term 2. The term has started out on a very positive note and it is great to see all the students and staff back at school, refreshed from their break. We welcome four new students this term and a new staff member Eve Ting who will be taking 5/6 A.

**Monash Health Dental Services** have been at CSPS this week and 52 students have taken the opportunity to have a free dental check-up which involves screening the children and providing them a report to take home to the parent/carer. The report includes whether or not the child needs any further assessment/treatment and contact details of where they can get services from. The students received a ‘goodie’ bag after their visit which included a new toothbrush and toothpaste.

**Our School Council for 2015** is up and running with the next meeting being on Monday 27\textsuperscript{th} April at 6:00pm. We still have a few parent vacancies on Council. If you are interested please come and chat to me about it. No prior experience necessary.

Thank you to our hard working Year 6 students who were selling Ice poles in Term 1. The money they raised will be going towards the Year 6 graduation costs.
Song Room continues this term. We had a fantastic turn up at the End of Term concert and it was great to see the students demonstrate their learning.

Premier’s Reading Challenge
Once again the Victorian Premiers’ Reading challenge is on and we would like to invite our students to participate in this challenge. The challenge invites children and young people to read a set numbers of books and record their efforts online. This is a great way to get involve with supporting your child to read. A notice has already been sent home and well done for those students who have signed up. If you need a new notice please come past the office.

Royal Children’s Hospital Good Friday Appeal
The Free Dress Day on the last day was lots of fun with quite a few doctors, nurses and Easter Bunnies and bright colours bringing our school to life. Thank you for supporting the RCH Good Friday Appeal.

ANZAC DAY
We will be holding a commemorative ANZAC Day Service in the school hall on Friday 24th April at 10:30am. All visitors are welcome to see our Junior School Council lead this event. Year 5/6 students visit to Westall Secondary College
This week all of our 5/6 students visited Westall Secondary College. The visit was interesting and enjoyable for all who went and it was a great experience for the students to develop an understanding about Secondary School. If you have a student in Year 6 you should have received a notice about 2016 Year 7 Placement. It is important you follow the steps and the timeline set out. Please come and see me if you are unsure what to do.

Our recap

Last week, we welcomed our children into term 2 and shared about what we did during school holidays. We made door hangers, fruit people and winter craft. Children loved going on the nature walk and collected twigs and leaves for winter craft activity. Children loved the dance and movement activity and learnt various dance moves of Macarena, Hokey Pokey and Chicken dance. Cricket was the most popular activity this week as children showed great deal of interest in playing cricket. Moreover, children played Octopus, Colour Tiggy, Musical freeze, Totally Gross as well as quieter games such as Uno and Cash register. Further, we made our favourite characters using pipe cleaner, coloured paper and straws. It was a great start of term 2 at Extend OSHC.

Kind Regards,

Dilpreet
