Principal’s Report

Our School photos have been delivered. If you ordered photos your child should have brought them home this week. They look fantastic and my favourite was the staff fun photo. The students look very happy in their photos as well.

A few of our hardworking parents are organizing a Special Lunch Day for the students on the last Tuesday of the term. A variety of pizzas, piece of fruit and juice box can be yours for only $6.00. Forms and money are due back by 9am Monday, 22nd June. No late orders can be accepted unfortunately. I encourage you to participate in this fundraiser.

School finishes for Term 2 next Friday 26th June. I would like to thank the staff, students and parents for their hard work this term and wish everyone a safe and restful break. Don’t forget school finished at 2:30pm on the 26th.

Term Dates:
Term 2  April 13 – June 26
Term 3  July 13 – September 18
Term 4  October 5 – December 18
All student reports are currently being finalized and will be sent home next **Wednesday 24th June**. You will notice a few changes to the report format compared to previous reports. CSPS is using a new reporting package and the staff have found it very easy to use. The reports are set out in an easy to read format and have a graphic display of your child’s achievements. The yellow section is predictive of where your child should be. The white dot is the teacher’s judgment of where your child was performing this time last year and the blue dot is this year’s result. You will also notice our rating scale is not numerical any longer. We use the terms *well above standard, above standard, at standard, below standard and well below standard*. Please see myself or your child’s class teacher if you are unsure how to interpret the report. Some students will be receiving Individual Learning Plan reports or English as a Second Language report as these are more appropriate for reporting on their learning.

I would welcome your feedback on the format of the report and the information it has provided you.

Staff at Clayton South Primary have been drafting an updated vision for our school and we would like your input.

School vision statements are important and most Australian schools generally have vision (or mission) statements that outline the key aspirations for their school and students. This is what we have come up with:

**Clayton South Primary School provides a happy, caring and stimulating environment. We work in a diverse community and do so with a sense of commitment. Children are encouraged as individuals to achieve their best, so they can make Positive contributions to the community.**

What do you think?

Staff have also been working on updating school policies, most recently the Student Engagement Policy. These will be on our school website for your information and input. Please email or call if you want to communicate with me your thoughts on these. These documents are important for governance of our school.

The Good Guys are supporting Clayton South for a fundraising activities. Please see information later in the newsletter. For every $50 spent we get to spend $2 in store.
Have you seen the fantastic 5/6 displays in our school reception and in the corridor near the Year 5/6 Rooms. The students have worked very hard on their projects and they look fantastic. Well done on being very knowledgeable and researching your projects so thoroughly.
**Strong and stable structures**

This term, the grade 3/4 students have been learning about strong and stable structures. Last week, we made suspension bridges.

The materials we used were; string, PVA glue, cups, pipe cleaners, wood, icy-pole sticks and a hot glue.

After we built the suspension bridges, it had to support a

HAVE YOU SAVED THE SERVICE MOBILE NUMBER IN YOUR CONTACTS?

Did you know you can contact your service directly? If you are running late or need to speak with our staff directly, you can contact the service mobile number which is switched on during the service operation hours. Please visit your service to save this number in your contacts for easy access. Note: for all admin related enquiries please contact our office on 1300 366 437.

Our recap

Over the past two weeks we have enjoyed learning about various types of waste through our Garbage dump pizza. Kids loved sorting and pasting rubbish and recycle items and learned how they can contribute in keeping our environment clean. Moreover, they made a Jigsaw puzzle of a clean environment. Further, we made Chocolate Ripple cake and kids found it very yummy!!! We also enjoyed making hand print reindeer’s and treasure hunt activity. Furthermore, children enjoyed playing Totem tennis, cricket, skipping and basketball.

As this is the last newsletter of the term, I’d like to take this opportunity to thank you all for being part of the OSHC program. I hope you all have a great time off over the holidays and we’ll see you ready for Term 3

Kind Regards,
Dilpreet

Next week’s activities:
Monday 22 June: Bubble making
Tuesday 23 June: Canvas Painting
Wednesday 24 June: Wall art
Thursday 25 June: Making music with water
Friday 26 June: Last day of term - party

We look forward to seeing you next week for more fun activities!

Rookie & Star Junior Clinics

Melbourne Golf Academy's Rookie Junior Clinics are for boys and girls between the ages of 4-7, and Star Junior Clinics are for boys and girls between the ages of 8-13.

These clinics focus on the fundamentals of the golf swing, each week focusing on a different component of the game.

Each week consists of a combination of tuition and fun-filled games.

PGA Professionals Adam Fraser and Stuart Howard will be conducting these clinics, and both have over 15 years coaching experience.

Dates & Times:

* Commencing Monday 13th July @ 4.30pm
* Commencing Tuesday 14th July @ 4.30pm
* Commencing Wednesday 15th July @ 4.30pm
* Commencing Thursday 16th July @ 4.30pm
* Commencing Saturday 18th July @ 9am
* Commencing Saturday 18th July @ 10am
* Commencing Sunday 19th July @ 9am
* Commencing Sunday 19th July @ 10am

Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, here at Clayton South Primary School.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-on-one lessons give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from $16.20 per lesson and enrolments are now being accepted for limited places in Term 3.

Interested parents should call Marika during office hours on 9518 2333
